Dear Hiring Committee,

Throughout my career, I have contributed to impacting business outcomes through effective communication, organization, prioritization, and execution of key projects. My skills and qualifications are an ideal match to the Software Engineer/Developer Intern requirements and will bring great value to GTS goals.

As a result of my educational and professional experience as a Software Engineer, I exercised a calculated and methodical approach to problem solving. I am independently motivated, yet I appreciate team efforts and collaborate productively within groups.

Because my professional goals align with GTS mission and values, this opportunity is especially exciting. I believe my collaboration, high agility and problem-solving abilities will support and drive your continued organizational success.

To demonstrate the scope of my career history and professional competencies, please take a moment to review my attached resume. I'd welcome the opportunity to speak with you if you feel I'd be a well suited candidate for this or other positions within your organization. I appreciate your evaluation of my credentials and subsequent response.

Sincerely,

GOUTHAMI KANCHUKATLA
